

Decision 06-09-026 September 8, 2006

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking on the  
Commission's Proposed Policies and Programs  
Governing post-2003 Low-Income Assistance  
Programs.

Rulemaking 04-01-006  
(Filed January 8, 2004)

Application of Pacific Gas and Electric  
Company Seeking Approval of an  
Augmentation to Its Authorized 2006 Low  
Income Energy Efficiency Program Budget.

Application 06-04-014  
(Filed April 14, 2006)

**ORDER CORRECTING ERROR**

Ordering Paragraph 4 of Decision 06-08-025 includes a typographical error that occurred when modifications to the proposed decision clarified that the total augmentation to Pacific Gas and Electric Company's budget is to be \$33.3 million. The change was made to the body of the order and to Conclusion of Law 5 but was inadvertently not made to Ordering Paragraph 4. Modifying the ordering paragraph would conform the ordering paragraph to the intent and plain language of the remainder of the decision.

Therefore, pursuant to the authority granted in Resolution A-4661,  
**IT IS ORDERED** that Decision 06-08-025 is corrected to provide that Pacific Gas  
and Electric Company's low income energy efficiency budget for 2006 is  
augmented by \$33.3 million.

This order is effective today.

Dated September 8, 2006, at San Francisco, California.
